

Your community needs a robust Flood Plan and volunteer Flood Wardens

Could you help others in a crisis and make a real difference?

Come along and find out more:

Flood Warden Training Session, 12 March,
Environment Agency Office, London Road,
Addington, ME19 5SH 7-9pm

Our commitment to you:

- Free emergency kit bag, Flood Warden Handbook and Newsletter
- We will help you develop and test your Community Flood Plan

You could be a vital link between your community and those responding to a flood

To register please e-mail the Kent Resilience Forum on krf.events@kent.fire-uk.org with your name, e-mail address, telephone no. and the district you will volunteer in.
